

# PASSIONATELY POWERING THE GLOBE

*Aaj Bhi Aur Kal Bhi !*

**HYLUM®**  
WIRES & CABLES

We aspire to become a most liked & preferred Brand in  
**WIRES & CABLES** offering Intelligent Solutions  
with best Engineered Products.

ENRICHING  
**EXPERIENCE OF 5 DECADES**  
CONTRIBUTING DEVELOPMENT  
OF NATION

**HYLUM** has been roping in pure quality raw materials & advanced manufacturing techniques to deliver the most efficient products ensuring the complete safety of mankind & at the same time raising the bars of competition.

NATION-WIDE PRESENCE WITH  
**SATISFIED CLIENTELE**

Saving Power With Efficient Products &  
Making Provisions **To Utilize Saved Power**  
In Lighting Up Homes Deep Down In The  
Villages & Remote Places

# MANUFACTURING & ENGINEERING PROCESS

- Better compact conductors reducing the air pockets
- Virgin polymers ensuring better insulating properties
- Maximum protection from polluting particles while manufacturing
- Triple extrusion for imparting special properties like fire/heat safety
- Complete in-house PVC compounding
- High end testing facilities
- Stringent raw material quality checks

# PRODUCT EXPERTISE

- House Wires/Flexibles
- FR/FRLSH (Fire Retardant Low Smoke Application Wires & Cables)
- LSZH (Low Smoke Zero Halogen Wires & Cables)
- ZHFR (Zero Halogen Fire retardant Wires & Cables)
- LT Power Cables
- Submersible Cables
- Co-Axial Cables
- CCTV Camera Cables
- Speaker Wires
- Solar Cables
- LAN Cables
- VIR Cables
- Special purpose wires & Cables
- Control and Instrumentation Cables
- PTFE insulated wires and Cables
- Armoured cable and Unarmoured cable

# WHY CHOOSE HYLUM

- Better Designed Conductor
- More Flexibility
- Less Chances Of Short Circuiting
- Improved Ampacity
- Less Breakages Of Conductor
- Reduces Air Cavities & Thus Lowers The Resistance
- Lesser Chances Of Sparks Which Originates Fires

Wires in an infrastructure are like veins & arteries in the living beings. We believe that cost of a fire is far more than the cost of wires as fire in any case can costs several human lives & convert the whole infrastructures into ashes. Our wires are so designed that it ensures the best safety from the fires.

# SEGMENTS BEING SERVED

Aaj Bhi Aur Kal Bhi !

**HYLUM**®  
WIRES & CABLES

# LAKHS OF KILOMETRE

OF WIRES & CABLES HAVE  
BEEN PRODUCED &  
SUPPLIED SUCCESSFULLY  
WHICH ARE PERFORMING  
EXCELLENTLY WELL..

HAVE SERVED FOR MORE THAN  
**RS. 500 CRORES** OF WORTH OF  
SUPPLIES IN THE RETAIL /  
PROJECTS SO FAR..

**LT. SH. LALA SUKHBIR  
SINGH JAIN**

**Key person who have been the  
inspiration & whose business  
ethics bolster our strengths is  
Lt. Sh. Lala Sukhbir Singh Jain**

**SH. ASHOK KUMAR JAIN**

**Man behind untiring & diligent  
efforts is the Founder – Sh.  
Ashok Kumar Jain**

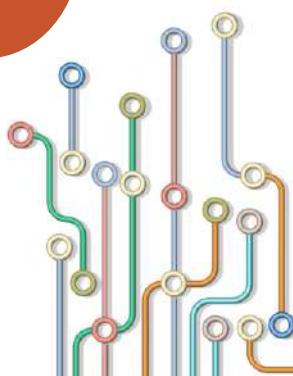

**SH. AKASH JAIN**

**Making this journey even  
more interesting & taking it  
to the next level by the young  
minds as Sh. Akash Jain &  
Sh. Ankit Jain**

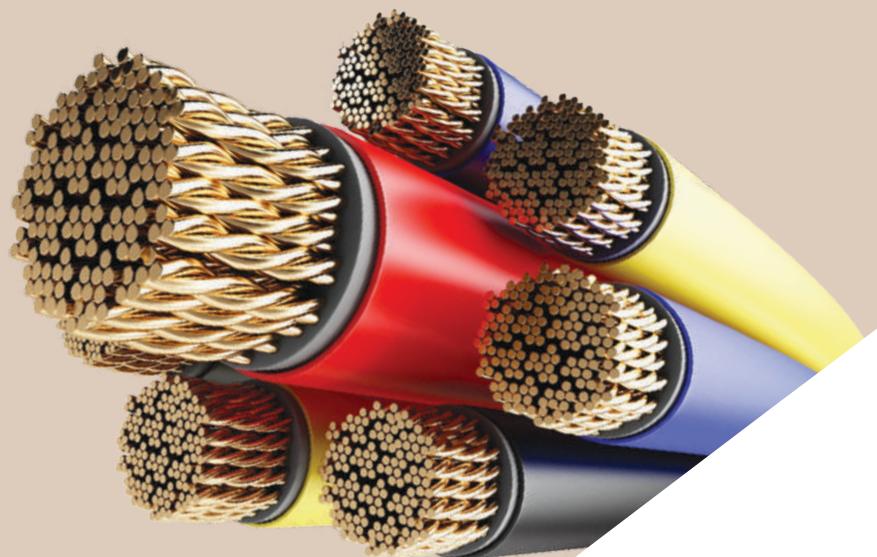

**SH. ANKIT JAIN**
